Rick Solomon presentation “Feud between Stonewall Jackson and A.P. Hill”
Sunday, March 8, 2020, at 2 p.m., Everett Public Library, 2702 Hoyt Avenue, Everett
Rick Solomon will be giving a free presentation on the Feud between two of the best generals in the Army of Northern Virginia, Stonewall Jackson and A.P. Hill. Lee took to try to make peace between them; and, last, a deathbed peacemaking of sorts after Jackson was wounded at Chancellorsville.

REMINDER:
PSCWRT ANNUAL AUCTION - APRIL MEETING (NEXT MONTH)!!!

Regardless of the Coronavirus situation, we are still planning to have the meeting and auction at the April meeting. It can’t be emphasized enough how important the Annual Auction is as the main fund raiser for our organization. There will be a silent auction as well as a live auction. Each year, our hope is to fill the coffers so that Pat Brady can go out and get the best speakers on topics related to the Civil War each month. However, it can only happen with the generosity and participation of each one of us!

Start planning today to bring items to donate that you feel members of the Round Table and guests will be interested in. More information will be available in next month’s newsletter. Be prepared!
